EDUCATION

Course	College/University	Year	CGPA/%
M.Sc in Statistics	KBC North Maharashtra University	2023-25	4
B.Sc in Statistics	Pratap College, Amalner	2021-23	8.3
HSC	Pratap College, Amalner	2020	74.15
SSC	D.R. Kanya, Amalner	2018	90.60

WORK EXPERIENCE

- **Intern | Government Forest Department** [May'2024-June'24]
  - Assisted in various forest management activities, including field surveys, data collection, and analysis of environmental impact.
  - Participated in the monitoring and documentation of local wildlife and forest resources, contributing to the development of conservation strategies.
  - Gained practical experience in environmental policy implementation and natural resource management.

SKILLS & INTERESTS

- **Programming Languages**: Python, SQL, R
- **Tools**: MS Word, MS Excel, PowerBI
- **Libraries**: pandas, NumPy, Matplotlib, ggplot2, plotly, dplyr, tidyr
- **R packages**: ggplot2, plotly, dplyr, tidyr
- **Area of Interests**: Data Analysis, Machine Learning, Data Science

PROJECTS

- **Statistical Analysis on IPL | Python, Minitab, Microsoft Excel, Microsoft Word** [2022 - 2023]
  - Conducted an extensive statistical analysis of the IPL using various data visualization and statistical techniques.
  - Utilized **Chi-Square** Test for analyzing categorical data and testing relationships between variables.
  - Created graphical representations to illustrate findings and support data-driven conclusions.

RELEVANT COURSES

Regression Analysis	Statistical Computing	Multivariate Analysis
Data Mining	Probability and Distribution Theory	Testing of Hypothesis
